To our valued customers

Re: Northstar Windows price increase:

We have received a price increase notice from our supplier Northstar Windows and Doors.

The announced increase is a 5% price increase on vinyl windows and vinyl patio doors. At this time the increase does not affect entry door systems.

Because of this announcement we have no choice but to announce the same increase to our customers.

**Effective March 1, 2020 all Northstar window and patio door products will increase in price by 5%.**

All orders must be placed with our sales staff by close of business Friday February 28<sup>th</sup>, 2020 to allow our sales staff time to process the orders and have them submitted to Northstar by the close of our business on Saturday February 29<sup>th</sup>, 2020.

Please contact any of our sales representatives if you have any questions.

We thank you for your continued support.

Sincerely,
