To: All of Our Valued Canadian Customers

Subject: PRODUCT ANNOUNCEMENT
MARATHON PLUS / HIP AND RIDGE

As we continue to refine our ability to meet the current market demand, IKO has decided to temporarily reduce our colour offering for Marathon Plus shingles in Eastern Canada to 2 colours, Dual Black and Weatherwood, effective immediately.

In addition to this, IKO will be converting our Hip and Ridge Plus shingles in Canada to Hip and Ridge 12 as this is the most popular version used in North America. The benefit of this change will allow us to streamline our production of this product which will help provide better service to you, our customer. Specifications and pricing will be provided with our next updated price list.

If you have any questions concerning this announcement, please contact your local IKO Territory Sales Representative.

Thank you for your continued support of IKO.
